

Dieplam Nguyen

IT BS Undergraduate at UCF | Orlando, FL | di301917@ucf.edu | (754)-715-2796

Technical Skills

Programming

- CSS, HTML, Javascript, Python, Java, C, Marie (Assembly)

Programs

- Microsoft Powerpoint/Word/Excel, Adobe Photoshop, AWS, Virtual OracleBox

Projects

8-Part OS Management C Program

- Developed an OS Management program using a menu driven program to perform tasks of CPU scheduling, race condition, Banker's Algorithim, page replacement, disk scheduling, and memory management in an operating system
- Utilized dynamic partitioning algorithms in code to determine memory management program

Oracle VirtualBox

- Virtualization Project Feasibility Analysis using Excel with approximate cost benefit analysis for a server virtualization simulation at different load percentages and server amounts
- Navigated virtualization software to perform tasks from Fireshell, Powershell scripting, and Task Scheduling
- Implemented an active directory within the virtualization system
- Installed and connected to virtual network and localize domain users

Extended Style Document Guide

- Managed a team of writers with abstract management in a 2 month project deadline
- Developed chapters in the extended guide on document design and graphics
- Processed rough drafts through employer feedback and peer review

Website Projects

Interact Rotary Website (Creator)

- <https://whsinteract.carrd.co>

- Used containers, textboxes, and objects to create a functional website with interactive navigation systems
- Utilized <section> HTML code to separate different pages of different variables and objects, creating easier traversal for users and interactions

Cambridge Psych Core Studies Website (Creator)

- <https://12core.carrd.co/>

- An analysis of the 12 influential studies in general psychology, subject areas surrounding AP Psych curriculum
- Used two different web domains to convey the same overall theme, with different <section>s for each core study

Media Studies and Culture Interpretational Website (Creator)

- <https://representviets.carrd.co/>
- Simulation of an online quiz and informational blog
- Used travel objects in HTML to move back and forth through sections smoothly

Extracurriculars

| | |
|---|--|
| Huong Hai Temple Buddhism Studies and Natural Preservation Aid (2020-2024) | <ul style="list-style-type: none">· Assisting monks with daily practice and duties· Prayer research and preparation of main temple· Tending garden and preserved land |
